Coaches Technical Officials Triathletes

National Federations (under development) Activators Facilitators (under development)

Mentors/Mentees (under development) Conferences

- Panel discussion

INDIVIDUAL RESPONSIBILITY AND WELFARE

- Government hygiene regulations and advices must be followed at all times.
- If Technical Officials feel unwell with any symptoms of Covid-19, they should not attend the event. Follow local medical protocols

INDIVIDUAL RESPONSIBILITY AND WELFARE

- Technical Officials who are over 70 years old, anyone with compromised health conditions, or living with someone at high risk, must be aware of the greater possibility for serious consequences in case of contamination
- Sharing of equipment is prohibited, in particular water bottles and cups must not be shared.
- Face coverings must be worn.
- Minimizing use of public transport and limiting car sharing. Walk or cycle if possible.

- Panel discussion

TECHNICAL OFFICIAL APPOINTMENTS

- Travel will be kept to a minimum and the size of the officiating team
- Technical Officials should avoid crossover between groups. Officials will apply consistent groupings of officials throughout the day
- SFTOs status

- Panel discussion

NEW COMPETITION RULES

- Consistent standards' document among all ITU/Continental events.
- Race briefing are not mandatory for the athletes and are hosted online.
- Race package distribution process (out of competition testing/ waiting list)
- COVID-19 measures are included in the participation requirements (pre-event questionnaire, PCR testing, etc)
- Coaches' accreditation reduction
- Mixed relay exchange zone
- Wheel station TO conduct

TOS PACKAGE/ NEWSLETTER

- TOs must have access to all the latest information shared with the athletes and the applied COVID-19 measures
- Special attention on informing them on the COVID-19 measures that they need to respect
- Produce newsletters by providing all critical information and 2 pages handouts with the points to keep in mind at all times

- Panel discussion

EVENT DAY CONTACT

- TOs must be aware on how COVID-19 measures will be implemented in their area
- Technical Officials should display role model behaviour in maintaining social distancing and standards of hygiene.
- The format of events will likely be significantly different to normal
- **All equipment checks carried out must be visual only unless an issue has been detected.**

EVENT DAY CONTACT

- Technical Officials must be directed to:
 - Avoid touching athletes
 - Only use the whistle when necessary
 - Use short, sharp whistle blow not long, hard blows
 - Blow whistle facing away from athletes
 - Use hand sanitizer at every break in the race (between groups, substitutions)
 - Use full coverage if they are required to be with someone on a motorbike
 - Use a face shield if assigned at the finish area or as a chaperone.

POST EVENT

- The Technical officials briefing and debriefing must take place in a location that social distancing is respected and if possible outdoors.
- A post-event debrief with the event organiser must continue to take place, however, consider how this could happen virtually following the event.

- Panel discussion
